Order Setting Sentencing

On December 6, 2022 at 1:30 p.m., the Court will hold a sentencing hearing in Courtroom 14-North. This sentencing date is firm, and the Court will **not** continue it without a compelling reason.

If a party must seek a continuance, that party must file a motion as far in advance of sentencing as possible but no later than 10 days before the hearing, unless the grounds for the continuance could not have been known at that time. Belated requests for continuances inconvenience numerous people, including witnesses, victims, court personnel, attorneys, and others, and hinder the Court's scheduling of other matters. Failure to comply with this Order may result in denial of the motion.

So Ordered this 24th day of August 2022.

STEPHEN R. CLARK
UNITED STATES DISTRICT JUDGE
